

MINUTES

On Tuesday, January 28, 1964, at 8:00 p.m., a meeting of the wives of the married students of the Institute of Aerospace Studies was held at the home of Mrs. Judy Davis. The main purpose of the meeting was to see how much interest would be shown towards an organization of the students' wives. Thirteen of the twenty wives were present.

Judy Davis told about the wives' club she had belonged to at the University of Virginia, and Mary Drummond told about the club at the University of British Columbia.

All those present agreed that we could have a similar club on a smaller scale that we could attend once a month. That is, rather than have bridge groups, athletic groups, etc., within the club, we could have a different activity each month so that the variety would interest everyone.

A discussion followed on the type of activities our club might include. Some of the suggestions were:

1. Know Toronto Better Night
2. Bowling
3. Skating
4. Movies or Travel - from library
5. Going to the Theatre
6. Picnics & Camping Trips in the Summer
7. Card Nights
8. Sports
9. Trading Recipes
10. Debates
11. Speakers
12. Demonstrations
13. Sewing or Knitting Night

It was agreed that we would meet in different homes each month and that we would meet on the third Monday of each month at 8:00 p.m. The next meeting would be on Monday, February 17th, at the home of Mary Drummond.

A discussion followed in which it was suggested that the refreshments be kept simple. It was also agreed that the hostess would be responsible for furnishing the coffee and tea, and that a volunteer would bring the refreshments. Colombe LaFrance volunteered to bring the refreshments for the next meeting. In turn, the two girls responsible for this meeting would do the phoning for the next meeting.

It was decided that in a few months nominations and election of a President and a Secretary-Treasurer would take place.

A social period followed the business portion of the meeting, at which time refreshments were served.

The second meeting of the wives of the married students of the Institute of Aerospace Studies was held on Monday, February 17, 1964, at 8:00 p.m., at the home of Mary Drummond. The minutes of the previous meeting were read and approved, after which a list of the names, addresses, and telephone numbers of the wives was distributed and corrected. (13 present)

A discussion followed in which it was decided that our next meeting would be a "Know Toronto Better Night", since many of the members are not natives of Toronto. A committee of four was chosen to conduct this meeting. They were Carol Strong, Cathy Laframboise, Harriet Fine, and Kathy Marsden.

In regards to knowing Toronto better, it was also suggested that we set up a clipping service of interesting things to do and see in Toronto. Claire Marrone and Marcelle Battle offered to keep a watchful eye on the newspapers and report on this at the next meeting.

The discussion continued on deciding programs for our coming meetings, at which time the following decisions were made:

1. For April, we will have either a speaker on antiques or a demonstration of make-up and beauty products. Claire Marrone and Colombe Lafrance said they would look into this and report at the next meeting.
2. For May, we will have a talk on food and entertaining, and exchange favourite recipes.
3. For June, we decided to have a regular meeting in addition to a planned outing for husbands and wives.

The next meeting will be held at the home of Colombe Lafrance on Monday, March 16th, and Carolyn Drewry volunteered to bring the refreshments.

It was suggested that the club send out a newsletter once every two months which would include a summary of activities of the club, announcements of interest from the Institute, and general gossip. Judy Davis volunteered to work on this with the co-operation of the other members.

At this time, the motion was made and passed that we needed a treasury to cover any expenses that the club might have, and that the dues for each month would be 50¢. It was agreed that this amount would be payable each month starting in March. It was decided that we needed a permanent Secretary-Treasurer, and Carol Strong volunteered for this position and was elected.

Mary Drummond was nominated and elected for the office of President.

A discussion followed in which we tried to decide on a name for our organization. It was suggested that we think about it and discuss it at the next meeting.

A social period followed the business portion of the meeting at which time refreshments were served.

On Monday, March 16th, the third meeting of the wives of the married students of the Institute of Aerospace Studies was held at the home of Colombe Lafrance, with Caroline Drewry as co-hostess. The minutes of the previous meeting were read and approved, and Mary Drummond proceeded to conduct the business portion of the meeting. (14 present)

Colombe Lafrance reported on the possibility of a make-up demonstration for our April meeting. She contacted a woman who has her own shop in the Colonnade, who is willing to demonstrate her cosmetics free of charge, providing that we endeavour to promote her line of products. It was decided that we would hold the demonstration on April 20th at the home of Harriet Fine, with Carol Strong supplying the refreshments. The phoning for the next meeting was to be done by Colombe Lafrance and Kathy Marsden.

Judy Davis will send out the first edition of the Club's bi-monthly newsletter to the membership and Mrs. Patterson before the end of March. The deadline for gossip and information for the newsletter was set for Friday, March 20th. Judy Davis will report on whether she will be able to use the copying machine and paper at the Institute.

The following suggestions were put forward for the club's name:

W.U.T.I.A.S.S. - Kathy Marsden
 U.T.I.A.S.S. Wives' Assoc; The Dames - Judy Davis
 The S.W.A.N.S. - Marcelle Battle
 The P.H.T.'s - Gerda Rothe
 The Student Wives' Assoc. of the Inst. of Aerospace
 Studies - Judy Davis

As none of the membership were too keen on the above names, it was decided to wait until the next meeting, when the floor would be open to any further suggestions.

The discussion continued as to what we could do for future meetings.

1. Clair Marrone knows of someone who could talk on the uses of wine for home cooking. It was decided to include this in our Recipe/Cooking Night for May 11th. Marcelle will get in touch with Claire and report to us at the April meeting.
2. Mary Drummond mentioned two free films from Coutts-Hallmark, entitled "The Art of Gift Wrapping", and "The Old Old Story". This one was suggested for a meeting closer to Christmas.
3. Free tickets for television shows -- Carol Strong to report at next meeting.
4. Gerda Rothe suggested a musical evening with records.

The business portion over, the program for the evening was "Getting to Know Toronto Better". Carol Strong outlined briefly the history of Toronto and its entertainment aspects; Harriet Fine discussed the points of interest; and Cathy Laframboise presented some slides on Toronto parks.

After the program, refreshments were served during which the 50¢ dues were collected.

This will be our Recipe/Cooking Night, and Claire Marrone will arrange for a guest speaker from Chateau-Gay Winery. Committee arranging recipe trading -- Judy Davis and Pat Siddon
Telephoning -- Harriet Fine and Carol Strong

2. June weiner roast -- a majority vote of 13 out of 15 decided the best night for the roast would be Saturday, June 20th, with our regular meeting being June 15th. After some discussion, it was passed unanimously to restrict the weiner roast to student wives and their husbands. Committee -- Kathy Marsden and Cathy Laframboise.
3. As the selection of television programs was limited, it was decided to contact the CBC later in the summer when we would have a chance to get tickets for a better program.
